

Good Afternoon, Bret Harte Community!

As you may have heard, all CPS schools have now been cancelled through April 20<sup>th</sup>, as of now. We are steadily working to ensure students are provided with the resources to continue their learning at home. Currently, the student e-learning sites are listed on our website at [www.harte.cps.edu](http://www.harte.cps.edu) , as well as, ClassDOJO. Please contact Mr. Bright at [cabright1@cps.edu](mailto:cabright1@cps.edu) or Mrs. Fido [mmfido1@cps.edu](mailto:mmfido1@cps.edu) if you need login information or technology support. Additionally, I want to be sure you are aware of the free internet access opportunities from AT&T, Spectrum, and Comcast. ISBE has listed these opportunities at [www.isbe.net/keeplearning](http://www.isbe.net/keeplearning).

Please note that our district video-conferencing platform, Google Meet, is disabled for student use in accordance with our Acceptable Use Policies. CPS is currently pursuing a live streaming option that would be aligned with our policies to ensure student safety. We will reach out with additional information once this live streaming tool becomes available.

It is important that we take care of each other during these times. Please stay well and practice social distancing.
